V-300 Car Vacuum Cleaner

The Qindu V-300 Car Vacuum Cleaner utilizes advanced suction technology to deliver strong and efficient cleaning performance. It easily tackles dust, food particles, pet hair, and other debris inside your car.

Equipped with multiple cleaning attachments, such as a crevice brush and a dusting brush, it effortlessly reaches tight spaces like seat gaps and air vents, ensuring a fresh and spotless interior.

Designed for portability and convenience, this compact and lightweight vacuum fits easily in the car's storage compartment or trunk without taking up much space.

- Powerful suction
- Multi-layer filtration
- Washable filter
- German motor technology
- Long-lasting battery life
